

## **Safety Specialist**

The job is located in Springerville, AZ and involves overseeing safety management programs during the construction of a coal fired power plant unit.

The person should have construction safety background experience. The construction project is scheduled to take 3 years to complete. The position offers a competitive salary and benefits.

Anyone interested in the position can contact me either by email at [rlhutz@aol.com](mailto:rlhutz@aol.com) or by phone at 602-323-0222.

Thanks. Bob Hutzel
